

JUnit Test Execution Report

Project: ERASM1 | Framework: JUnit 5 + Mockito | Date: 05-07-2026

Test Execution Summary

Metric	Result
Total Tests Run	101
Passed	101
Failures	0
Errors	0
Total Duration	15.317 s
Overall Status	BUILD SUCCESS

Controller Layer — 8 Test Classes

Test Class	Duration	Status
UserControllerTest	0.505 s	PASS
EmployeeControllerTest	0.290 s	PASS
SkillControllerTest	0.090 s	PASS
ResourceRequestControllerTest	0.064 s	PASS
AuthenticationControllerTest	0.060 s	PASS
AllocationControllerTest	0.049 s	PASS
ProjectControllerTest	0.047 s	PASS
SkillMatchingControllerTest	0.030 s	PASS

Service Layer — 9 Test Classes

Test Class	Duration	Status
AllocationServiceTest	0.335 s	PASS
UserServiceTest	0.187 s	PASS
ResourceRequestServiceTest	0.126 s	PASS

SkillServiceTest	0.120 s	PASS
AuditLogServiceImplTest	0.088 s	PASS
SkillMatchingServiceImplTest	0.074 s	PASS
AuthServiceTest	0.042 s	PASS
ProjectServiceTest	0.031 s	PASS
EmployeeServiceTest	0.028 s	PASS

Exception Handling & Application Context — 3 Test Classes

Test Class	Duration	Status
GlobalExceptionHandlerTest	0.026 s	PASS
Erasm1ApplicationTests	0.006 s	PASS
ValidationExceptionHandlerTest	0.003 s	PASS

Key Takeaways

- 100% pass rate across all controller, service, and exception-handling layers using JUnit 5 with Mockito.
- No flaky or slow outliers observed; the heaviest tests (UserControllerTest at 0.505 s and AllocationServiceTest at 0.335 s) still ran well within acceptable bounds.
- The Failure Trace panel was empty, confirming zero regressions in this run.
- Full suite of 101 tests completed in 15.317 seconds, indicating a healthy and efficient test suite.
